

Society of Light
and Lighting

Society of Light and Lighting Sustaining Membership

SLL Sustaining Members are a network of businesses who collaborate to give financial, technical and moral support to a wide range of Society initiatives. Sustaining Members include large and smaller organisations, including consulting engineering practices, manufacturers and contractors.

Benefits of Membership

- Complimentary hard copies of all new **SLL publications**
- Input into **SLL Lighting Guides**, including consultation on drafts prior to publication and invitation to provide images for inclusion in the guides (credits included)
- Opportunities to deliver accredited CPD as **SLL Webinars**, promoted to SLL Members and Contacts internationally
- Free online access for a specific employee to the **CIBSE Knowledge Portal** which includes PDFs of all SLL Publications
- Listing on **SLL website** with link to company home page
- Use of the **SLL Sustaining Member logo**
- **SLL Sustaining Member Certificate**
- Online subscription to **SLL Light Lines** and the **CIBSE Journal**
- Exposure at **SLL national and regional events**
- Free delegate place at an **SLL LightBytes** event, with any additional places at the **discounted SLL member rate**
- Discounted rates for any other SLL events and to purchase additional hard copies of publications
- **Networking opportunities**

Networking opportunities

Meeting regularly throughout the year, the Society stages a variety of events in the regions that discuss industry issues whilst providing extensive, valuable networking opportunities.

These include the annual meeting of the Society, LightBytes regional events, and other opportunities to hear industry leading speakers discuss pressing industry matters.
