This month’s eNews is packed with a long list of industry news but don’t let that stop you from scrolling down and registering for the many technical events being held around the region in the coming weeks.

A Song of Ice and Fire - Extreme engineering environment

With people still reeling from the finale of Game of Thrones, CIBSE NSW presented its own version of a Song of Ice and Fire – an outside the box session on extreme engineering environments.

CIBSE Building Services Training - Call for contributors

Building services engineering covers a broad range of specialised skills and expertise. CIBSE ANZ is pulling together content for a course across Mechanical, Electrical, Vertical Transport, Hydraulics, Fire, Sustainability and NCC & Performance Solutions. If you are highly qualified in a particular aspect of any of these disciplines get in touch. We are looking for assistance to develop specialised course content and review developed works.

Email Sharon Pestonji, spestonji@cibse.org.au to inquire or getting involved.
CIBSE ANZ accredits new CPD

Belimo, a global market leader in the development, production and marketing of actuator solutions for controlling heating, ventilation and air conditioning systems, have three new CPD presentations accredited for delivery in Australia, New Zealand and Asia Pacific.

1. Industry Update 2019
2. BMS IP Networking for Consultants
3. A pressure independent future

The CIBSE ANZ directory is also includes presentations from Aquip and Australian Vacuum Drainage. All presentations are offered on an inhouse bases.

RICS Building Confidence Conference
1 August, Sydney

Earn up to eight hours’ CPD at the RICS Building Confidence Conference. With the aid of senior stakeholders from the private and public domain, this conference surveys the breadth of best-practice activity and disruptive thinking intended to improve behaviour across construction, lending, investment, valuation and certification.
CIBSE members can book using the RICS member rate – no code required!

Book now
Oceania Biophilia Summit 2019 - The Practice of Biophilia in Living Buildings
5 – 7 August 2019, Camp Glenorchy, South Island, NZ

The Summit provides all attendees with the opportunity over a period of two and half days to immerse in the exploration of Biophilia and how this can truly influence the design process.
