Dear Member,

Welcome to the final edition of the CIBSE ANZ Newsletter for 2018. It has been a year packed with highlights for the Institution and we couldn't have done it without our members and network of volunteers. Thank you for your continued support and we wish you a restful holiday season and look forward to seeing you next year.

The CIBSE ANZ team

Celebrating the Honour – Two Bronze in 2018!

Manus Freeman, VIC Chapter and Peter Whalley, WA Chapter both received the CIBSE Bronze Medal for service to the Institution.

Your industry needs to hear your voice

The public comment process provides an opportunity for stakeholders and members of the public to make valuable contributions to Standards Australia. It’s imperative that we, as an industry regularly review and implement to future changes that need you to review and comment to provide the industry with a better future outcome for years to come. There are too many to mention and capture all the relevant building services related standards, so encourage you all to bookmark and regular visit the Public Commenting standards whilst in draft format.
