In applying for membership of the SoPHE Industrial Associates you are committing to contribute to its activities, and there are a number of ways you are able to do this, including;

- The opportunity to sponsor a Technical Article in the SoPHE Journal. This includes the placement of a full page advert.
- The opportunity to sponsor a table/seats at either of the SoPHE annual dinners. Currently there is one held in Manchester in May and another held in London during November.
- The opportunity to have a representative join the SoPHE Industrial Associates Steering Committee (meets four times a year)
- The opportunity to host an official SoPHE Technical Seminar
- The opportunity to send a representative from your organisation to the SoPHE Industrial Associates AGM

Continued membership of the SoPHE Industrial Associates is dependent upon your organisation contributing in some way.
