

**YOUNG
ENGINEERS
AWARDS
2022**

CIBSE APPRENTICE OF THE YEAR PREPARE YOUR ENTRY

The nominator will need to submit an answer to the following:

- Why would your apprentice make a good CIBSE Apprentice of the year? Please include examples of what your apprentice has achieved academically and/or in practical projects. (450 words max)

The apprentice will need to submit an answer to the following:

- What are the strengths and advantages of entering building services from the apprentice chosen route? (Max 450 words)

In addition to the entry form, the apprentice will need to create a three-minute video presentation on one of the following topics, dependant on which level they are entering at:

Technician Apprentice (level 3-4):

Why is teamwork in building services important?

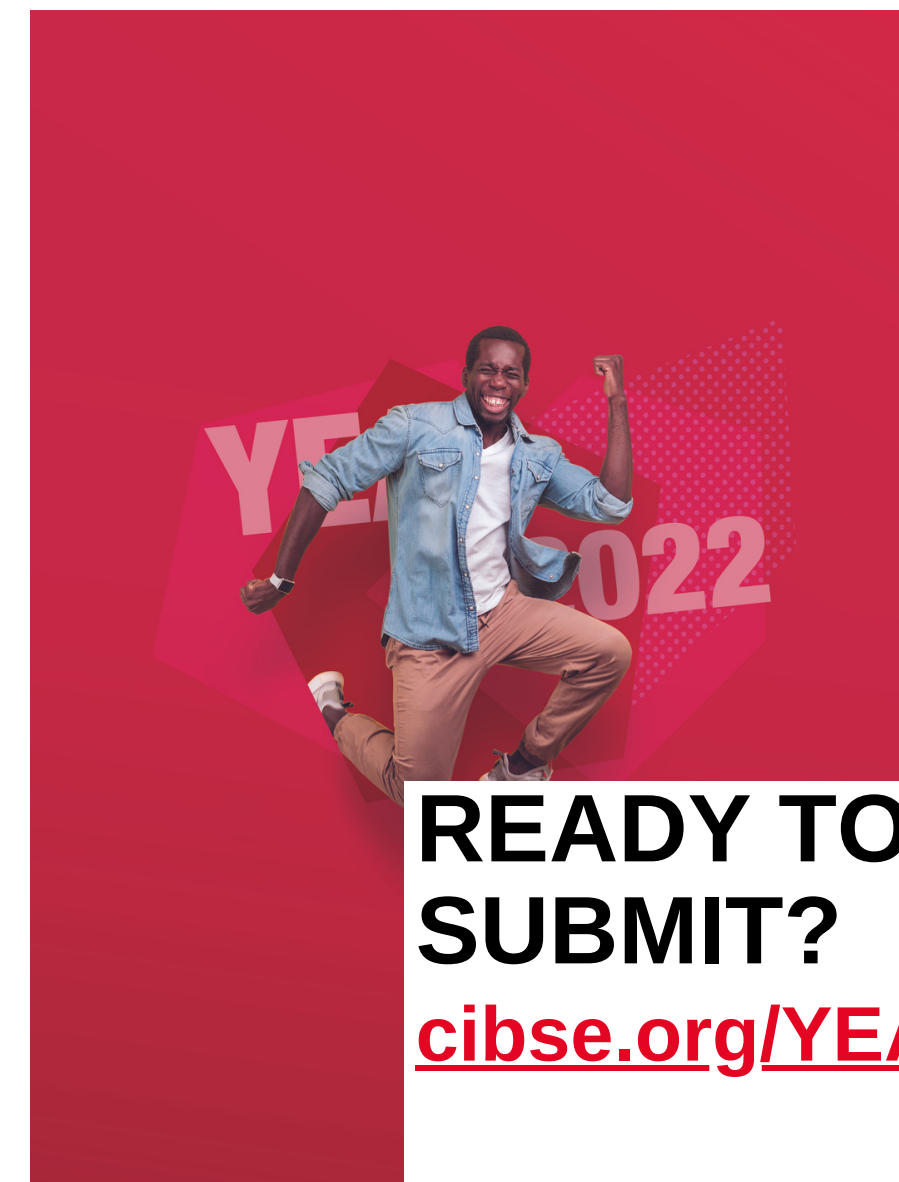

Degree Apprentice (level 5-7):

What do you think are the priorities for building services engineers in the next five years?

This award is free to enter and open to all apprentices registered to Standards/Frameworks at level 3 and above in building services engineering and related occupations.
