

Tuesday 18th October 2022—Rose Bruford College, Sidcup

SLL Ready Steady Light, in partnership with Rose Bruford College, will be taking place 18th October 2022. The competition will see up to 15 teams competing against each other to design and set up temporary exterior installations with a limited range of equipment in only 180 minutes.

Each team must be led by an SLL member

Judging will be in 3 categories:

- Artistic Award: Most creative installation within the natural features of the site. Judged by an expert panel.
- Technical Award: Best installation taking into account energy use, light spill and health & safety. Judged by an expert panel.
- Peer Award: Judged by other contestants.
