

Tuesday 17 October 2023—Rose Bruford College, Sidcup

SLL Ready Steady Light, in partnership with Rose Bruford College and IALD, will be taking place in October 2023. The competition will see up to 15 teams competing against each other to design and set up temporary exterior installations with a limited range of equipment in only 180 minutes.

Each team must be led by an SLL member

Judging will be in 3 categories:

- Technical Award: Best installation taking into account energy use, light spill and site management. Judged by an expert panel.
- Artistic Award: Most creative installation within the natural features of the site. Judged by an expert panel.
- Peer Award: Judged by other contestants.
