What you need to know

- Applicants must be under the age of 30 on 25th August 2022.
- Entries must be the entrants own original work.
- Entries should be prepared specifically for the competition; however, they can be a development on work previously carried out.
- All pieces must be capable of being presented in 15 minutes.
- If shortlisted for Stage 2, entrants will need to submit a 3–5-minute video, as well as developing their ideas into a full presentation (30 slide maximum) or a written paper. The Society is open to discuss alternative methods of presenting your ideas.
- Should you reach Stage 3, your presentation should be clearly linked to the development of your ideas, as delivered for Stage 2.
- Stage 2 video submissions for successful finalists will be added to the CIBSE Youtube channel and featured on the Society's website.
- Entrants should ensure that visual aids in electronic format are compatible with equipment and software provided by the Society or the other supporters. PowerPoint presentations should be sent via email or another file sharing site. The Society will provide a laptop and a projector for the final presentations, should these be delivered to a live audience.
- Copyright in entries will pass to the Society of Light and Lighting unless otherwise negotiated.
- The Society shall have the right to provide copies of submissions in full or abridged form to the technical press for publication and/or review.
- The Society shall not be obliged to return entries to competitors.

Important Dates

- Entry deadline (6 introductory slides outlining your idea) – 25th August 2022
- Shortlist Announced – 8th September 2022
- Closing date for developed idea and video submission – 20th October 2022
- Finalists notified – 3rd November 2022
- Finalist presentations – 15 December 2022

Stage One

- 6 introductory slides outlining what your entry will be based on.
- Can include images, illustrations, video, animations, voice, text.
- Should include:
 - Title for your project/idea
 - Why it is relevant
