

AMSL Application - Engineering Practice Report

Name:

Organisation:

Objective	Your Evidence of meeting the objective
A. Knowledge and understanding	
A1. Maintain and extend a sound theoretical approach to the application of technology in design and engineering practice.	
A2. Use a sound evidence based approach to problem solving and contribute to continuous improvement.	

Objective	Your Evidence of meeting the objective
B. Design, development and solving engineering problems	
B1. Contribute to the design and development of design and engineering solutions.	
B2. Contribute to the design and development of lighting solutions.	

Objective	Your Evidence of meeting the objective
D. Communication and interpersonal skills	
D1. Communicate effectively with others, at all levels, in English.	
D2. Clearly present and discuss proposals, justifications and conclusions	

Objective	Your Evidence of meeting the objective
D3. Demonstrate personal and social skills and awareness of diversity and inclusion issues.	
E. Personal and professional commitment	
E1. Understand and comply with relevant codes of conduct	

Objective	Your Evidence of meeting the objective
<p>E2. Understand the safety implications of their role and manage, apply and improve safe systems of work</p>	
<p>E3. Understand the principles of sustainable development and apply them in their work</p>	

Objective	Your Evidence of meeting the objective
<p>E4. Carry out and record the Continuing Professional Development (CPD) necessary to maintain and enhance competence in their own area of practice</p>	
<p>E5. Understand the ethical issues that may arise in their role and carry out their responsibilities in an ethical manner</p>
